

“EMBODYING THE UNIVERSAL LAWS!”

Our Universe and our Lives are governed and ordered.

**These Laws were understood by
Einstein, Newton, Ancient Mystics and more.**

**When you understand the Universal Truths,
you create your Life according to your terms.**

**Join Holistic Health Practitioner and Wellness Educator,
Lynn Pridmore, for this transformational and enlightening class.**

Each week, we will explore one Universal Law, such as the Law of:

- * Vibration * Attraction * Increase * Polarity * Cause and Effect ***
- * Perpetual Transmutation of Energy * Rhythm * and more!**

**Practical methods to incorporate each Principle into your life
will also be shared in each class.**

Please join us weekly or as your schedule allows!
